CHANGE MANAGEMENT
Think of a time when you made special efforts to build responsibility or improve your work. Talk to a partner about the choices you made and the steps you took over time to improve.
What is Initiative?

**Definition:** Making the effort to take action to create a desired result with little supervision — a skill anyone can build with focus and dedication. Those who consistently demonstrate initiative at work are highly valued by employers, peers and customers!
Benefits of Initiative

• Regarded as highly valuable at work
• Well-respected and admired for work ethic
• Greater success in meeting goals
• Increased dependability and reliability
