

SKILLSUSA CERTIFICATIONS

Two Certification Bundle

CTE Knowledge Certification

SkillsUSA Framework Certification

In this certification experience, you'll complete a series of learning events that can lead to you achieving the SkillsUSA CTE Knowledge Certification. During your certification work, you'll learn how SkillsUSA and career and technical education are solutions to the world's skills gap.

Through this certification, you'll:

- Define the skills gap and identify how it relates to CTE.
- Describe the basic history of SkillsUSA and CTE and how CTE evolved into its current structure.
- Articulate the benefits of CTE on a personal and systemic level.
- Identify the opportunities to share your knowledge about CTE, the skills gap and SkillsUSA.

Here is a summary of the learning events that lead to certification:

- Complete the SkillsUSA and CTE as a Solution to the skills gap e-module.
- Complete and submit the provided learning journal.
- Take and pass the 20-question CTE Knowledge assessment.

In this certification experience, your students will complete a series of learning events that lead to achieving the SkillsUSA Framework Certification. During certification work, your students will learn about SkillsUSA and how it ensures the development of skilled professionals, career-ready leaders and responsible community members.

Through this certification, your students will:

- Articulate the meaning of SkillsUSA's mission and vision statements.
- Explain the SkillsUSA Framework through a brief Framework story.
- Describe the six categories of the SkillsUSA Program of Work and select appropriate activities to align with it.

Here is a summary of the learning events that lead to certification:

- Complete the Why SkillUSA? e-module.
- Complete and submit the provided learning journal.
- Review the Essential Elements definitions and behaviors.
- Take and pass the 20-question SkillsUSA Framework assessment.
- Complete Electronic Essential Elements Self-Evaluation.

\$10.95 PER USER

ONLY \$13.95 PER USER

Bring the SkillsUSA Framework Essential Element of Multicultural Sensitivity and Awareness to life for students and adults alike through this short course about diversity, equity and inclusion (DEI).

Certification: Promoting Diversity, Equity and Inclusion as a SkillsUSA Leader

In this certification experience, your students will complete a series of learning events that lead to achieving the Promoting Diversity, Equity and Inclusion as a SkillsUSA Leader Certification. Successful leaders and champions of diversity create environments where everyone can participate; promote diversity, equity and inclusion; and create spaces where everyone feels included, valued and respected.

Through this certification, your students will:

- Define diversity, equity and inclusion.
- Examine unconscious bias and implicit bias.
- Evaluate their interactions with others.
- Describe the relationship between DEI and decision making, recruitment, activity selection, teamwork, program of work and more.

Here is a summary of the learning events that lead to certification:

- Complete an interactive e-module.
- Submit a completed handout.
- Pass a brief assessment.

Professional Member Access:

This e-module is a benefit of professional membership and can be accessed within the learning management system. Complete and submit SkillsUSA membership through SkillsUSA REGISTER (register.skillsusa.org). If you have an account in Absorb and are a professional member, login at absorb.skillsusa.org and navigate to the Professional Membership Benefits tile to access this e-module.

How to Order for Students:

If you have an account in Absorb, SkillsUSA's learning management system, login in at absorb.skillsusa.org and navigate to the Catalog and Shopping Cart tile to place your order.

If you don't have an account in Absorb, contact a Customer Care Team member at customercare@skillsusa.org or call toll-free **844-875-4557** to create your account and place your order.

DEI Notice: SkillsUSA offers this learning module as part of its commitment to create an inclusive organization for every member. We advise educators to review local curriculum policy and legislation before engaging with this material, whether using it with students, or taking the course personally as professional development. SkillsUSA has reviewed this module and found it to be compliant with guidelines on the discussion of diversity and inclusion; however, in an abundance of caution, we advise educators to carefully consider their local context before utilizing this resource. SkillsUSA never requires any educator or student to complete this module, nor is completion of this module a requirement for any chapter or personal recognition.
